	Math Grades will be taken on fast facts and sorting 2d & 3d shapes. Email or send pictures by phone to chardin@rice-isd.org or 903 519-5657 Turn them in on time so you don't lose points!	<ul style="list-style-type: none">• Get Creative! Look for things around your house or yard to make 2d and 3d shapes with. Example: using noodles, sticks, q~tips or paper. glue together to make shapes.• Fast Facts• Sorting 2D & 3D Shapes• Move to the Kitchen! Find 3d shapes. Look for a cylinder, cube, cone, sphere, rectangular prism. Now look at each one and tell what attributes each one has. Take a picture and send it to me!• Use beans to make multiplication problems and draw to show how many groups and the amount in each group EX: $3 \times 6 = 18$ Would be 3 groups of 6 equal 18	https://www.istation.com/istationhome

	Social Studies <u>Custom</u> - a way of doing something.	<ul style="list-style-type: none"> • Do you think people would get along better if we all shared the same customs? Write and explain why or why not? • Online video- Culture and Ethnicity/Cultural and Ethnicity Survey (Graded) • Cultural Celebrations: Pick two celebrations from the slide show to compare and write about. (Graded) • Studies Weekly - Week 9 • Totem Pole Craft 	Texas Weekly www.studiesweekly.com
	Science Light energy – a form of energy which our eyes can detect Sound energy – energy produced by vibrations Heat (thermal) energy – energy related to the temperature of an object or a substance Precipitation – water that falls to the Earth's surface as rain, snow, sleet, hail, or fog	<ul style="list-style-type: none"> • Look inside your house and write down some examples of light energy, heat energy, and sound energy. • Write down the temperature and draw a picture for two days this week on a sheet of paper. Then answer the questions. Was it the same each day? If it was not the same how was it different? • Draw an example of Precipitation and label what type of precipitation it is. • Draw a picture of a fish and a bird. A fish has scales and a bird has feathers. Then answer the questions. How do you think scales help a fish? How do you think feathers help a bird? • Draw or make a spider with things you have at home. Write down on a sheet of paper what you think may help it survive. 	Education Galaxy www.educationgalaxy.com

Students currently in ESL (English as a Second Language)-

On your parent's phone, make a video explaining to Mrs. Black 2 ways that doing school at home has been good and two ways it has not been so good. When you have made your video, please email it to cblack@rice-isd.org or send it to (903)467-8863. En el teléfono de tus padres, haz un video que explique a la Sra. Black 2 maneras en que ir a la escuela en casa ha sido bueno y dos maneras en que no ha sido tan bueno. Cuando haya hecho su video, envíelo por correo electrónico a cblack@rice-isd.org o envíelo al (903) 467-8863.
