| | | nothing more to do for me. So BIG THANK YOU to all of you who are finished. | |
| | <p>Math</p> <p>As always, you can generate math problems for yourself using dice, dominoes, or cards! +, -, x, / (division) Keep those skills sharp!!</p> | <p>Good Monday morning Rice 4th grade Bulldogs! This week, we will continue our measurement unit with weight. Weight is how heavy something is, and is measured using scales. Watch the youtube video customary units of weight khan academy . Make sure that you have a pencil and your journal or a paper to take notes and draw pictures! Take a break and see if you can find two different type objects. Compare them by holding one in each hand. Which one is heavier? Ask a family member which one they think is heaviest and see if they guess correctly. Then read, study, and complete Go Math, page 531. The number line on page 531 is really helpful in comparing ounces and pounds! Keep the number line in mind while you are working on the examples on page 532. Complete Go Math page 533(GRADED) and 534 (GRADED)</p> <p>IF YOU ARE WORKING ON PAPER, PLEASE TURN ALL WORK IN BY EMAILING IT TO 4thgradeworkturnin@gmail.com This will help us be able to find all your child's work quickly and efficiently. Thank you!</p> | <p>iStation</p>  <p>Prodigy</p>  <p>Buzzmath</p>  |

| | | | |
|--|-----------------------|---|---|
| | Social Studies | <p><u>MONDAY: GRADED</u> Read the Studies Weekly article called “The Texas Black Gold Rush” and then answer the questions.</p> <p><u>WEDNESDAY: GRADED</u> Read the Studies Weekly article called “A Changing Texas, A Changing World” and then answer the questions.</p> <p>IF YOU ARE WORKING ON PAPER, PLEASE TURN ALL WORK IN BY EMAILING IT TO 4thgradeworkturnin@gmail.com This will help us be able to find all your child’s work quickly and efficiently. Thank you!</p> | <p>Texas Weekly</p>  |
| | Science | <p><u>MONDAY: GRADED</u> Watch the video on mealworm life cycles, then complete the Life Cycles Stemsopedia 4.10C in Stemscopes.</p> <p><u>WEDNESDAY: GRADED</u> Watch the video on the life cycle of a radish, then complete the Science Writing in Stemscopes.</p> <p>*If you are working on paper and do not have access to the videos, you may move on to the assignments without watching the videos.*</p> <p>IF YOU ARE WORKING ON PAPER, PLEASE TURN ALL WORK IN BY EMAILING IT TO 4thgradeworkturnin@gmail.com This will help us be able to find all your child’s work quickly and efficiently. Thank you!</p> | <p>Education Galaxy</p>  <p>StemScopes</p>  <p>Science Weekly</p>  |

ART

MUSIC - <https://classroom.google.com/u/2/w/MTE1OTUwNDE3ODha/tc/NTc5MTk2MjMzNTNa>

Listen to and select your instrument(s)!

PHYSICAL EDUCATION - The video I sent last week focused on the basic fundamentals in hitting with an emphasis on a proper hitting stance. This video is more detailed and in depth with three important keys to success in hitting. Please watch this video, pick up a bat and go out in the yard and apply what you have learned. *Youtube video:*
